

Daniel O'Donnell Concert Sioux City, Iowa

Daniel O'Donnell Concert, Sioux City – Wednesday June 9th 2010 – 2 days, 1 night

Popular Irish singer Daniel O'Donnell makes an appearance at the Orpheum Theater, Sioux City on Wednesday 9th June 2010 at 7 p.m. The entertainer has enjoyed worldwide success in recent years with his unique blend of country music, 60's pop, inspirational ballads & Irish standards. *"The fans are an integral part of the experience of my live show, and I think they keep coming back primarily due to their love for the music I bring them,"* O'Donnell says.

"I make the show fun by having conversations and talking to them on-stage, even joking around like old friends. I stay after every performance to meet everyone I can, and people know I'm very approachable. Those who have seen me perform multiple times know that variety and spontaneity is a key part of the show, too. My goal every time I step onstage is to make sure the audience leaves entertained," O'Donnell says. *"I want to make people feel relaxed and at home with me, and for a few hours anyway, create an atmosphere that helps them leave their worries behind."*
