

Norway, Norwegian Fjords, Iceland & London, England

17 days / 16 nights, departing 26th July 2010

Join us on this amazing cruise at a great price! We travel aboard the stunning Crown Princess on an adventure to Iceland & Norway. This itinerary features 8 ports of call, including visits to London, England - Reyjavic, Iceland – Akureyri, Iceland – Aalesund, Norway – Hellesylt, Norway (scenic cruising) Geiranger, Norway – Olden, Norway and Bergen, Norway.

Norway, The "Land of the Midnight Sun" offers a truly unique experience. Norwegians view their scrub-covered islands, snow-crested peaks, and glacier-born fjords as symbols of a wilderness culture. The majestic scenery inspired the symphonies of Grieg, the plays of Ibsen, and the paintings of Munch. The landscape has also shaped the Norwegians' view of themselves as pastoral dwellers in one of the world's most splendid countrysides.

The name *Norway* (in Norwegian, *Norge* or *Noreg*) is derived from *Norvegr*, meaning "the way to the north." The Vikings used the term more than 1,000 years ago to describe the shipping route along the west coast of Norway. Norwegians have been seafarers since the dawn of history, so it seems natural for the country to have a nautical name.

Crown Princess

Crown Princess is the crown jewel of the Princess fleet. Its unique Crown Plaza is an atrium designed in the spirit of an Italian piazza where you can get a bite to eat or just relax and people-watch. Other highlights of this brand new

ship include the Crown Grill, modeled after a classic steakhouse, the Sanctuary deck area, reserved just for adults, and Movies Under the Stars®, our poolside movie theater.
