

Professional Bull Riders World Finals, Las Vegas!

4 wonderful days and 3 exciting nights - book early! Departing October 25th 2012

Few sports are as hot as bull riding, and ABS Travel Group can escort you to the sport's Super Bowl.... the PBR World Finals in fabulous Las Vegas. In its relatively short history dating back to the early 1990s, sales of PBR tickets have exploded. And those riders lucky enough to earn a trip to the PBR World Finals now compete for more than \$10 million prize money, compared to just \$250,000 a decade ago. The Thomas & Mack Center will be packed with PBR World Finals ticket holders this October, and we can help you enjoy it all in style with our PBR World Finals travel package.

As proof that bull riding is now a truly international sport, Brazilian Adriano Moraes won the 2006 PBR World Finals to become the only person to win three titles. He'll be challenged by the likes of Chris Shivers, Justin McBride and all the stars of the PBR tour who are brave enough to try to stay on a 2,000-pound bull for eight seconds. Like the Superbowl, watching the event on TV doesn't even come close to the experience of being there live and in person with a PBR World Finals tour package from ABS Travel Group.
